Dear Chairman, Parliamentary committee on 2022 General Elections.

I write to express Caritas Papua New Guinea's interest in the Public hearing on the Subject matter. Sir, Caritas PNG in the 2022NGE partnered with PNG Electoral Commission to run the national voter education awareness through the Catholic church network across the country. We also conducted four regional consultative forums in the New Guinea Islands, Momase, Southern and highlands regions after the elections to gauge public feedback on the outcome of the national polls.

Apparently, I missed the deadline to submit our written submission on February 15th but I would like to present our key findings and public views in this hearing.

Sir, if there is any flexibility, I would be more than happy to forward a submission in due course of the parliamentary inquiry.

Your consideration is highly appreciated.
